Index to Gleanings in Bee Culture

Volume LXXXII, 1954

In using this index the reader should not fail to note that it is divided into four departmens namely; General, Editorials, Contributors, and Illustrations. The index of General includes everything except Editorials, Illustrations, and Contributors.

General

A

Acid method for taking off honey 404
Adventures of Tyl Uilenspiegel 425
Advertise your honey for free 335
Advertising and promotion of honey in Canada 84
AFB and pulverized sulfa 651
and slumgum 407
cause of not cure 742
don't coddle 111
reclaiming combs infected with 718
Aids, mechanical 616
Alabama 226
Alfalfa pollinators 287
seed, growing without destroying pollinators 361
Allergy, unusual forms of 739
Alsike clover pollination, article 436
Amateur, observations of 684
American Beekeeping Federations' new headquarters 221
Chicago meeting of .. 751
American Honey Institute News Notes 54, 104, 162, 235, 299, 351, 438, 490, 563, 617, 691
Analyses, paper chromatographic, of some southern nectars 401, 472
Ancient bee houses 743
Anderson's Dr. John, beekeeping library presented to Cornell University 469
Ants 382
cleansing from hives 559
gather on inner cover 55
in apiaries, control of 348
nuisance in cool weather 501
Apiary management, simplifying 394
small, how to manage 140
Apiculturists, technical, job inventory for 617
Apis, mellifica, tincture of 174
Arthritis, will bee venom cure? 478
Association membership, how we increased 468
Associations, bee, what's wrong with? 230
Aster honey as winter stores 695

B

Bacteria growth hindered by honey enzymes 220
Baltimore convention 156
Beard of bees, making 497
Bears 382
bees, and airplane 682
controlling 488
protecting apiaries from 295
Bee and American Indian 491
and wasp extracts, manufacturers of 222
gone! but they don't wanta 559
houses, ancient 743
inspection by air 486
in the West, hard-working 418
pasture, stop destruction of 689
poisoning studied by Washington State 17
products, uses of 290
sting sensitivity 615
stings, reactions to 675
stings, solution for 220
Beekeeper a 4-H'er 87
a young girl 11
specialist honored 76
Beekeepers, let's look forward not back 49
Beekeeping, fundamentals of 14, 90, 152
in China 216
in Cyprus 620
in Finland 24
in Paradise 554
in Singapore 649

of Vermont 470
Beekeeping, small, and selling honey 726
vacation, a 630
Bees and queens, young, producing 274
and stamps 550
as pollinators of greenhouse tomatoes 610
at home 688
bears, and airplane 682
confined in hives during winter 694
diseases and enemies of 268
do not sleep 363
examining in spring 238
for Hire' new film available 177
free 151
honey—origin and destiny 683
in wall of building 559
managing for tulip-tree blackberry flow 356
moving 202
placing in cellar 694
shaking from comb 362
so you want to keep 724
struggle of 662
transferring 354
unwanted, getting rid of 232
weight of 362
young, unable to emerge from cells 362
Bee-tree hunt, old-fashioned 410
Beeswax-eating birds 220
Beginner's tale, a 428
Birdsfoot trefoil 9
Birds that eat beeswax 220
Birth of a great idea 482
Biscuits, quick honey 475
Bloom, choose for your bees 290
Blueberry pollination 331
